

77322 WESTEND

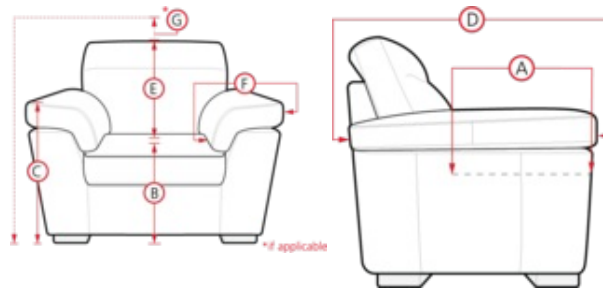

The Westend is a simple and sophisticated collection. Versatile in style with a modern track arm, the Westend can appear transitional or contemporary depending on the cover selection. Soft fibre-filled back cushions create a pillow-like softness, matched with a seat made for lasting stability, superior suspension and support. The cushions feature a box-border detail and modern topstitching accents on each seam. The collection includes a variety of stand-alone and sectional pieces, including a pull-out sofa bed and pushback chair with a manual reclining function. Slightly smaller in scale, the Westend collection was designed to work well in urban spaces.
