OUTDOOR UPHOLSTERY

DOUGLAS

club & lounge seating

AVAILABLE IN LOUNGE OR CLUB SIZE

Luxurious comfort is part of every piece of LANE VENTURE furniture, and the Lounging series of outdoor upholstery is no exception. Inspired by the innovative seating seen only at high-end resorts and world-class hotels, our design team seamlessly blends casual styling with tailoring details typically found only in indoor upholstery. Lower, deeper-built seats and generous overall proportions reflect today's lifestyles and latest fashion and take relaxation to a new level. To accommodate slightly smaller spaces, the Club series is available with the same casual styling and details, but in a more traditional and modest depth.
