

44000 KEONI

The Keoni collection is unique in style and comfort. Pad arms with a slim profile offer plush comfort while luxurious double topstitching details are featured throughout with pull-details accentuating the robust shape. The exceptional attention to detail is matched only by what is inside the frame. The collection features cutting-edge reclining technology that offers limitless customization and a smooth transition between positions. The full-chaise recline is supported by a power headrest that features a full range of motion to accommodate individuals of any height. The body is kept supported and comfortable in any position with seats made up of multi-density foam and a gel-infused memory foam topper. The Keoni collection is a beautiful addition to any contemporary space and looks great in any living or entertaining space. The collection is available in a variety of sofa and sectional configurations.

FEATURES

- **Mechanism Activation:** Power recline, power headrests and power lumbar with a button switch featuring integrated USB charging, and LED backlighting, finished in an attractive brushed metal
- **Cushions:** Full, chaise-style seat cushions feature a high-resiliency, high density foam core with a polyester wrap, Semi-attached back cushions feature a fibre filling, blown into channels to prevent shifting and provide pillow-soft comfort
