

43003 DENALI

With its exceptional comfort and structured styling, the Denali marries form and function in uncompromising harmony, creating a stylish addition to any decor. Its slim profile arm pillows give Denali an understated silhouette, allowing the unique stitching details on the interior back to command attention. Underlying the bold design are semi-attached, blown-fibre back cushions offering abundant support. An extended footrest offers additional support when lounging or watching television in a fully reclined position. The Denali is available in either power or manual recline and a variety of unique comfort functions for maximized convenience including a rocking function, swivel, swivel glider, wall hugger, layflat and lift, which allows gentle ease from a sitting to a standing position, while reducing strain on joints. Denali's medium-scale sizing and uncluttered aesthetic complement both transitional and contemporary designs, making it a natural addition to any living space.

FEATURES

- Cover: All Palliser Fabrics, All Palliser Leathers
- Features: Double top stitching for a luxurious and tailored finish (on leather and select fabrics), Hidden plastic glides integrated into the base
- Frame Construction: The majority of Palliser frames are constructed from engineered wood products, hardwood or softwood; joints are pinned and glued for uniformity and strength.
