The Biscayne's fine lines and understated elegance give the traditional recliner a fresh new face. The Biscayne features sculptural arm rests, a rounded integrated headrest and a unique silhouette. Perched on top of 6" tapered solid wood legs, the recliner commands attention in any space. A tall, angular back and box border seat cushion creates a clean profile. When seated, layers of multi-density foam on the back and seat rests support the body, even over extended periods of time. The chaise-style reclining function offers a supportive seat whether sitting with guests, or reclining while watching television.
