HIDDEN STORAGE

With a simple lift, swivel or slide, convenient spaces for storing all your living room essentials are revealed.

Remotes, toys, favourite books, and more are conveniently accessible but hidden from view, keeping your space organized and tidy.

CONSOLE STORAGE

IN-ARM STORAGE
WITH WALNUT COVER

Throw blankets, pillows and guest bedding tuck into larger compartments below chair and chaise seating—ready for any time you want to get extra cozy.

WALNUT ACCENTS

Walnut accents offer a functional hard surface and a dash of standout style.

Bring the end table seamlessly into your sofa, in a spot where more occupants can benefit from it: a console with extra storage, or an optional swivel tray table. And with a simple twist, an ordinary ottoman transforms into a combination of seating and cocktail table.

WIRELESS CHARGING

Never go looking for power again.

Qi Certified wireless charging* is everywhere you turn, from the walnut accent console, to the back of the corner, to an optional soft-touch charging pad. Power switches also feature smart USB charging ports.

*Compatible with most current smartphones.

SEATING & RECLINE

Discover ways to relax you've never imagined.

Elements Motion offers a range of motion or stationary pieces that can be mixed and matched to create fully customized seating. A variety of recline options include a power chaise and the unique corner recliner. Power adjustable headrests, manual headrests on stationary pieces and two available seat widths allow for the ultimate in personalized comfort, while a swiveling bumper puts extra legroom exactly where you want it.

Enjoy the luxurious comfort of feather-fibre toppers on every seat and back. Be sure to refresh your pillows often to maintain their full and inviting profile.

*Swiveling bumper will rotate smoothly on most surfaces. Please consider area rugs and carpet pile height.

SLEEPER

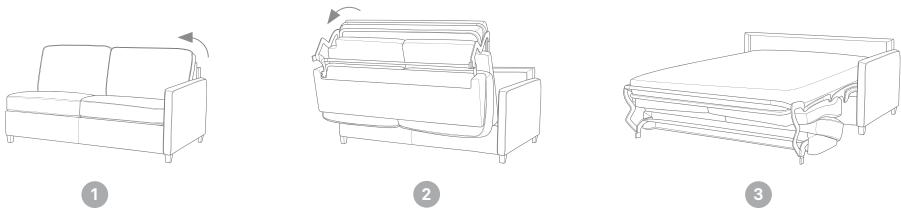

Our effortless sleeper mechanism, available inside the most functional sofa imaginable.

Unfold exceptional comfort in the blink of an eye, revealing a mattress topped with 1" of memory foam as the attached cushions tuck discreetly below the bed (without needing to be removed). Surround your guests with extra amenities such as wireless charging and hidden storage, all within arm's reach.
