VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather or fabric.
- New generation dual power motion recliner: lift/gliding headrest and footrest recliner. Functions operated by power switch located on outside panel of the arm which also allocates a USB charging port.
- The armless relax seats have an upholstered switch flap on the side that can be easily hidden between the seats to activate the mechanism.
- The switch for version chair without arms with mechanism (versions 338/F38/F25), is on the left hand side of the seat (front view)
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Packaging: Cardboard wrap.
