

Cliffside K30200

When you need a little extra jewelry on your furniture, turn to the Cliffside sectional. Bordered, welted, T-seat and back cushions are a mid classic, rolled, pleated arms. Those arms are adorned with nail head trim to create small panels. Accent arm pillows that are encased with welt punch color and texture into the piece. The banded, straight front border is encrusted by larger nail head trim along the edge to assemble the perfect combination. Bun feet are resting under the detailed border for support and minimal design. Shown in Ashanti Platinum and Balista Flint. Attached Back.

*Available as inside/out combination as K30270.

*Available without nails as K30220.
