

Toronto 57743

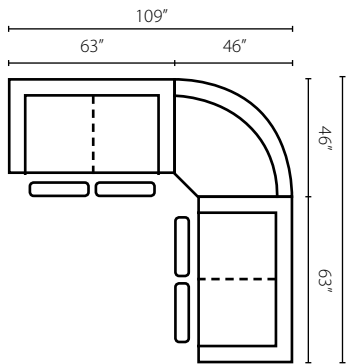

The Toronto reclining collection makes your home the place to be. Bordered, pillow top arm rests add lushness to the Toronto sectional. Full chaise lounge pads support your legs after a long, weary day. Mid back stitching details give the Toronto collection a splash of finery. The loveseat with console has two cup holders and under arm storage compartment. All of your family and friends will enjoy the luxury of watching a movie or game night in style. Shown in Marathon Fog.

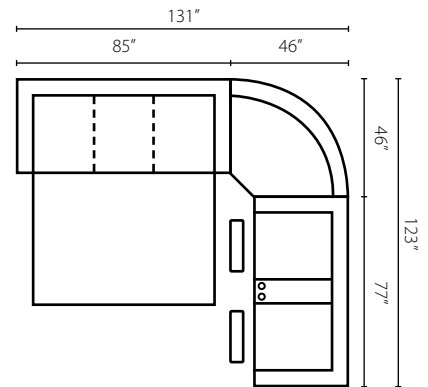

Available with power. | Available in fabric and bonded leather. | Optional pillows available.
