epicenters

Style has a birthplace.

Indicative of the community from which it is born, style finds life in the hotbeds of cultural relevance dotting the globe, radiating to the masses a unique sense of discovery in fashion, art, design, music, and cinema. A.R.T. Furniture presents Epicenters, a celebration of innovative home furnishings, directly inspired by the communities that inspire the world.

AUSTIN ★ takes art to heart, embracing its creative spirit in a Texas-sized bear hug (with a sloppy kiss, for extra measure!) that proves “keeping it weird” is more than just a catchphrase, it’s a way of life! Artisanal without the attitude, Austin jettisons pretense in favor of community, inviting one and all to just “do their thing”. Internationally known for its eclectic live music scene, Austin is also home to a bevy of acclaimed filmmakers, and its star is on the rise as a destination for foodies and fans of fine art alike. Undeniably relevant on a global scale, Austin’s cultural fingerprints can be found the world over.
