SILVER LAKE

## E P I C E N T E R S

Style has a birthplace.

Indicative of the community from which it is born, style finds life in the hotbeds of cultural relevance dotting the globe, radiating to the masses a unique sense of discovery in fashion, art, design, music, and cinema. A.R.T. Furniture presents **E P I C E N T E R S**, a celebration of innovative home furnishings, directly inspired by the communities that inspire the world.

Thanks to LA's urban sprawl, **SILVER LAKE** has found itself home to artists, musicians, and filmmakers, making it nationally synonymous with a cool, urban Bohemian lifestyle. Sometimes referred to as "The Williamsburg of the West," the **SILVER LAKE** style is Mid-Century Modern through a sunny So-Cal filter. Its hip and colorful bars, clubs and restaurants are complimented by a unique architectural heritage, with the works of notable post-WWII "modernist" pioneers sprinkled throughout the hillsides.
