

A bedroom scene featuring a bed with a tufted headboard, a nightstand with a lamp, and a tufted ottoman. The bed has a light-colored, tufted headboard and a matching ottoman. The bed is dressed in a light-colored duvet and several pillows, including a chevron patterned pillow and a fur pillow. The nightstand is a round, ornate table with a lamp and some books. The ottoman is a round, tufted piece of furniture with a decorative band of studs around its top and bottom edges. The overall style is elegant and sophisticated.

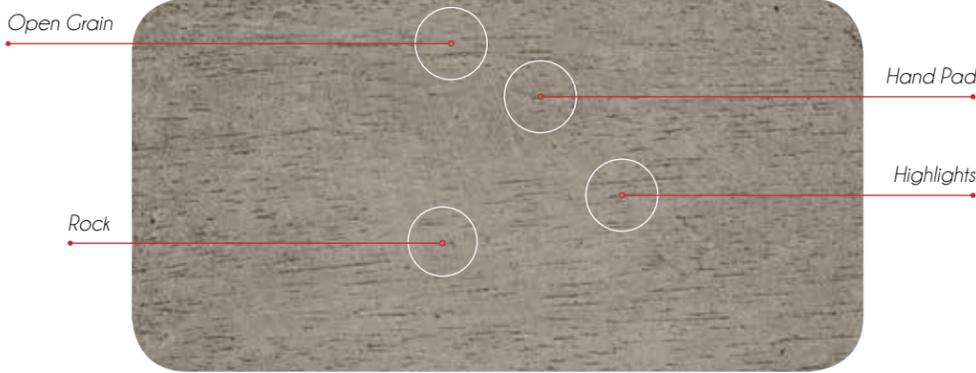

MORRISSEY

The Morrissey collection is a 42-piece assortment of designs for bedroom, dining room and living room. Transitional in nature, the soft yet clean lines evoke feelings of uncluttered serenity. The collection takes its design cues from Northern European, Art Deco, and West Indies influences, but quietly blends them together for a truly unique aesthetic. A defined "core" group of pieces lays the foundation for a broad range of accents.

2713 | THISTLE FINISH

A lower sheen, open grained coffee bean stain with cool undertones. The darkest finish has an organic nature that can be both casual and dramatic. Available on all "core" items.

2725 | SMOKE FINISH

As the name implies, this neutral gray color has delicate warmth in its initial base steps. This brings approachability to the stain that allows for maximum use as a primary finish. Interchangeable with Thistle, Smoke is available on all "core" items.

2727 | BEZEL FINISH

A striking silver paint finish that has been gently aged with warm glazing and texture. This glamorous tone is found on most accent pieces and ignites the style quotient of foundation pieces in Smoke or Thistle.

IT'S ALL IN THE DETAILS. The beautifully curated detailing of the Deco-inspired Morrissey Collection from A.R.T. Furniture proves once again that less is elegantly more. From jewelry-like custom hardware to the cedar lining of an upholstered end-of-bed storage bench, from the soft glow of silver to the practicality of a hidden USB port, the collection exceeds expectations with a kind of glam that is both striking and highly livable.
